## About Morden College

Morden College is a charity dedicated to supporting older people, providing them with residential care and residential nursing care if the need arises. We are a strong community, committed to enabling those we support to have the highest quality of life, for the rest of their lives. In April 2019, our care services were graded Good in all 5 CQC inspection area ratings and we have been granted Hospitality Assured status.

We will provide you with free uniform, free onsite parking, and other benefits.

## About the Role

Morden College Domiciliary Care service is looking to employ additional health care workers to support residents from the charity between its two sites in Blackheath. The role involves providing personal care to individuals including washing, dressing, supervising medication and assisting with other aspects of living in the persons own home.

If you are an experienced care worker holding an NVQ or equivalent qualification contact us for an application form. We offer excellent rates of pay and conditions of service for the right persons.

## About You

You will be friendly, approachable and caring with good communication skills and the ability to work on your own initiative. Some practical healthcare experience and the ability to deliver planned care are essential as well as being able to work well in a team. Having the Level 2 qualification in healthcare is required, if you are wanting to join our Domiciliary Care Team. Having a driving licence and your own transport would be advantageous.
