About Morden College

Morden College is a charity dedicated to supporting older people, providing them with residential care and residential nursing care if the need arises. We are a strong community, committed to enabling those we support to have the highest quality of life, for the rest of their lives. In April 2019, our care services were graded Good in all 5 CQC inspection area ratings and we have been granted Hospitality Assured status.

We will provide you with free uniform, free onsite parking, and other benefits.

About the Role

Are you able to support older people to live full and satisfying lives? If so, we want you to come and work at our Care Home.

To join the Bank list, you'll ideally have experience of working with older people or other vulnerable people (paid or voluntary), have a person-centred approach and be able to work as a member of a team to support our residents. However, a cheerful, sunny nature, flexible approach, enthusiasm, commitment and imagination are valued as much at Morden College.

About You

You will be friendly, approachable and caring with good communication skills and the ability to work on your own initiative. Some practical healthcare experience and the ability to deliver planned care are essential as well as being able to work well in a team. Having a Level 2 Diploma in Health and Social Care is required if you are wanting to join our Care Department.
